Thursday: When we got home on Thursday I introduced Diffy to my teddies. Diffy saw three of my teddies that are dogs; Whiskers, Barley and Smokey.

Friday. We went to the playroom and Diffy sat in my dolls house and I dressed him up. I took a picture of Diffy in my sisters tent.

Saturday. My friends came over, Mia and Maggie to see Diffy and I and we played on the go karts. Then we came inside and had a picnic and watched a movie with Diffy. The movie was called Because of Winn Dixie. We went painting with Diffy and then we had to go to pick up my sister Laura from a birthday party, Diffy came along for the ride.

Sunday. As it was Mothers Day my dad, my sisters, Diffy and I made breakfast for my mom. Later on in the evening we went to a show and Diffy came along. The show was amazing. We had so much fun, we had chocolate biscuit cake. After the show we went to my Nan's house so that she could meet Diffy.
