

# Internet Safety Awareness Week 2015

## St. Mark's Senior National School

Monday November 30th to Friday 4th December

in partnership with our  
Erasmus+ European Schools  
from

Denmark, Ireland, Finland, Italy

During this week of 'Internet Safety Activities' we will be actively involving the pupils and parents in becoming more aware of internet safety at school and at home. Through this awareness we hope that the pupils use of the Internet will become safer and more secure.
