

Lissivigeen National School
28-30 sept 2016

*Welcome to
Lissevegeen School of
Killarney*

*... in Ireland, the
emerald island ...*

We are enjoying the folk Irish songs ...

... and dances!

We are very happy about the welcome of our young hosts

*They are learning by using technology, paper, pens and pencils.
This is an History lesson, our little friend Eimear tells us a story that she has so well drawn.*

Delicious coffee break

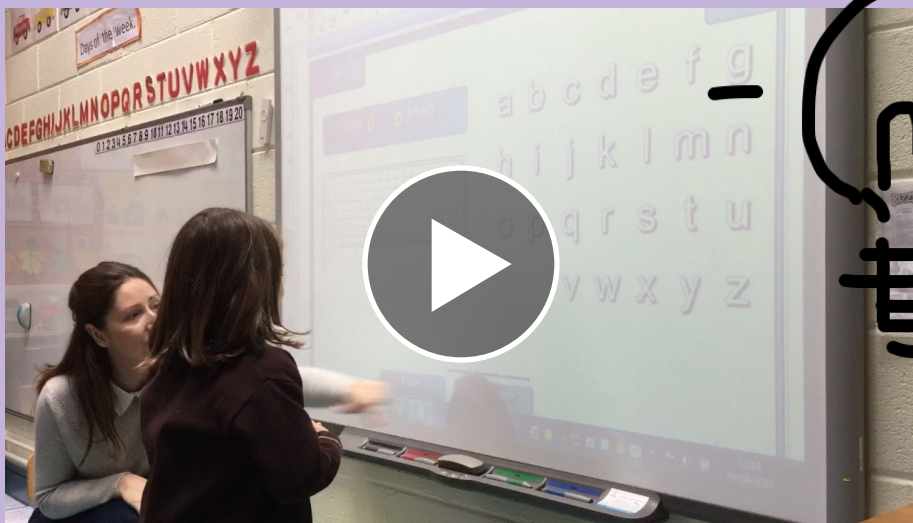

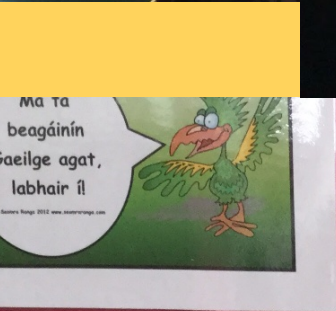

In the first class kids are learning the alphabet using different materials.

They can work by themselves using the technological devices, without the help of the teacher. Meanwhile the teacher can teach to someone else.

Is mise an madra.

Is mise an chearn

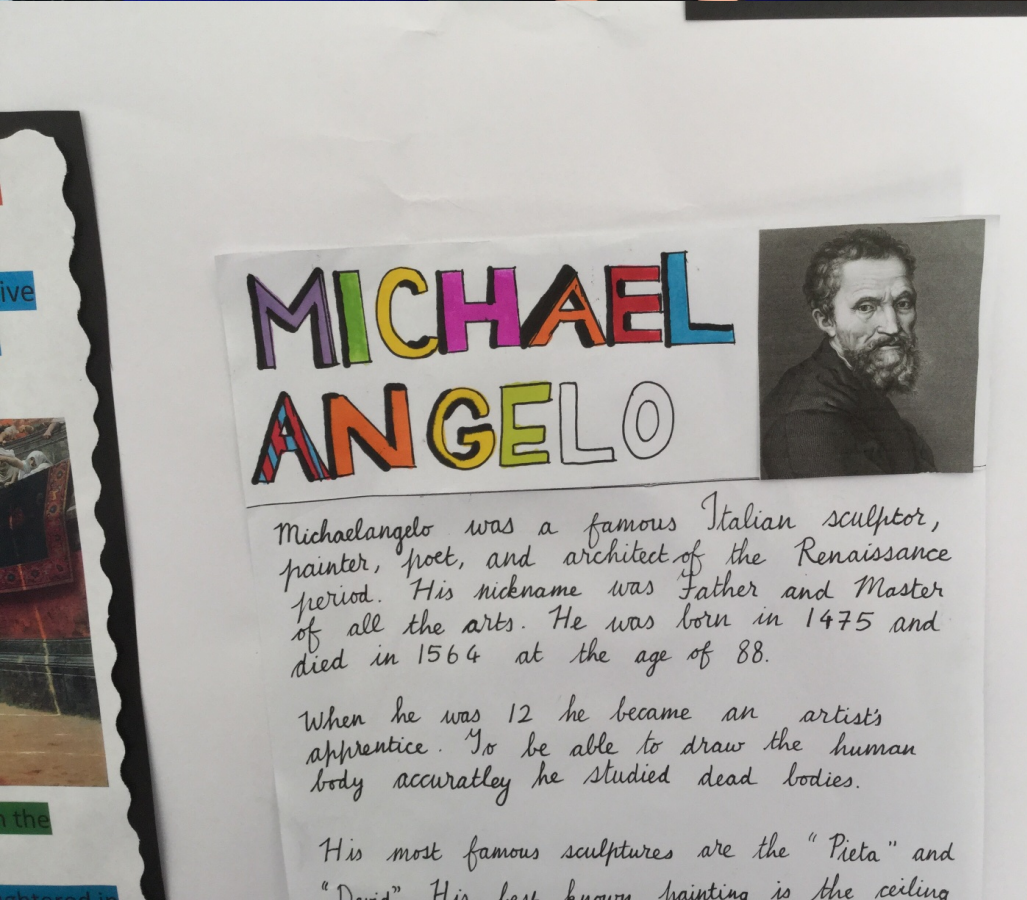

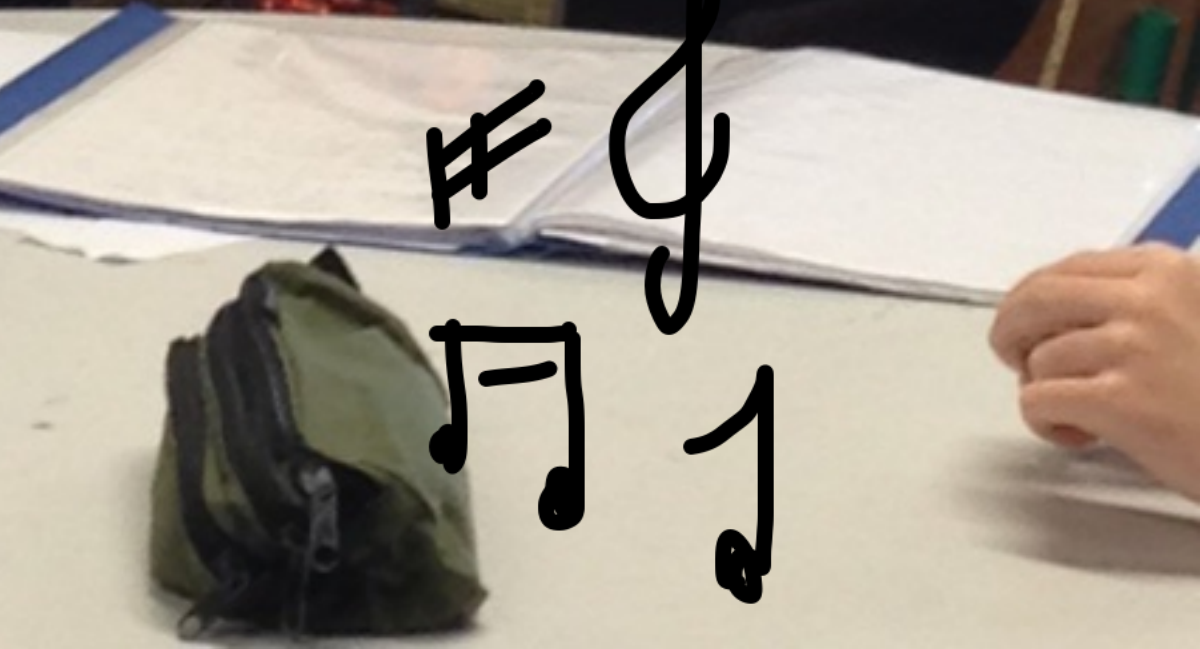

Croch o chóta

These students
have prepared
the poster about
Italy

Once upon a time there was a Castle called Muckross House with farms, schools and a lake

The old crafts

The Italian team

*Difi is
meeting new
friends, too*

*Thanks Killarney for
everything!
See you soon*
